DECLARATION OF CONFORMITY

for Swan 56/019 sailing yacht according to a standard that in all aspect meet and confirm the requirements in the EU Directive 94/25/EC for pleasure yachts.

As the vessel, in February 2000, was delivered to U.S.A, a Declaration of Conformity for pleasure yachts was not issued for this particular vessel. As we are unable to issue a back dated Declaration of Conformity for this vessel, please regard this information, with the enclosures (1) Builder's Certificate, (2) CE Type Examination Certificate N. 0609, dated 7 Dec 1999, (3) Swan 56 Standard Specification, dated November 1999 and (4) Swan 56-019 Extras Specification as full and complete documentation for the said vessel in concluding that the vessel, at the time of delivery from the yard, fully confirmed with EU-directive 95/25/EC for pleasure yachts.

We are not aware of any modifications to the vessel that might have been done after delivery of the vessel. Subsequent modifications to the yacht which do not meet the Essential Safety, Health, Environmental, and Consumer Protection Requirements of the Recreational Craft Directive, or which are not agreed with the Builders, will cause this Declaration to loose its validity.
